TITLE: Policy Statement, Purpose & Scope, General Safety Practices

POLICY STATEMENT

- Andicor Specialty Chemicals is committed to conducting its operations so as to minimize the risk to the safety and health of employees, customers, the public and the natural environment. It is the policy of the company that:
- Employees shall consider safety, sustainability, and protection of the environment in carrying out their duties.
- Employees and customers will be supplied with information on the composition, characteristics, potential hazards, and handling of the products we distribute.
- Appropriate standards or legislative requirements governing the hazards to health, safety, or environment of the products we distribute will be met or exceeded.
- Accidents and incidents will be investigated, and prompt action taken to prevent recurrence.
- Education and training will be provided to employees to enable them to perform their duties safely.
- Operating procedures designed to promote health, safety, sustainability, and protection of the environment will be strictly adhered to.

As a charter member of Responsible Distribution Canada, ANDICOR SPECIALTY CHEMICALS is committed to complying with and promoting the policy on Responsible Distribution and its guiding principles as dictated in the Associations Code of Practice.

Chemicals, chemical products, and chemical services will not be offered unless it can be done in accordance with this code of practice.

John Roeleveld
President
